MEMORANDUM

To: Jackson County Township and Village Officials and Other Interested Parties

From: Tanya DeOliveira, Principal Planner & Project Manager

Date: April 25, 2019

Subject: **Jackson City + County Non-Motorized Plan – May 6 – 10 Outreach Meetings**

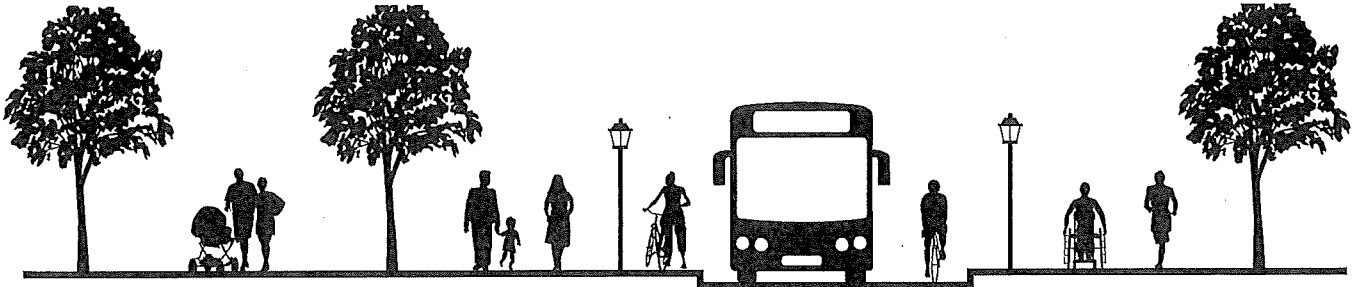

Work has continued on the Jackson City + County Non-Motorized Plan. Over the last several months, the consultants (The Greenway Collaborative) have been working reviewing existing plans, studies, and reports to develop a strong understanding of the Jackson community. The project Steering Committee has also met to provide input into the project.

May 6 – May 10 the consultants will be holding ten outreach meetings to gather public and stakeholder input, ideas, and concerns regarding the development of the non-motorized network and program for Jackson County, including the villages and townships, and the City of Jackson. Please consider attending a meeting as well as inviting anyone else that may be interested in the project. Please see the included flyer for more information on the outreach meetings.

For those unable to attend the meetings or want to learn more about the project, please see the project website: <https://walkbike.info/jackson/>.
