

**Work Session Minutes**  
**February 24, 2009**

The Grass Lake Charter Township Board met on Tuesday February 24<sup>th</sup>, 2009 for the monthly work session at 8:40 a.m. in the conference room. Board members Stormont, Clark, Loveland, Bray, Hart, Lesinski present. Absent: Adams, Jr. Also present Assessor DeBoe.

Stormont presented a copy of the New Michigan Uniform Energy Code packet which had been prepared by Building Inspector Thomas Nolte. This was a copy of a “power point” presentation.

Stormont then discussed the meeting that he and the Clerk, Marge Clark and Fire Chief Greg Jones had last week with the Stockbridge and Waterloo Township Supervisors in regards to the Stockbridge Area Fire Authority and our letter that we would no longer be serving the Waterloo Township area due to not receiving an agreement.

A written agreement has been prepared for the purchase of land behind the Fire Station, in which Tom Simon of RSW Development has a copy. Stormont needs to follow up on this as they were to have 3 days to get back with us if the offer was agreeable.

Stormont and Clark will work on getting the Dangerous Building Ordinance published.

Some discussion was held in regard to the Policy and Procedures for part-time personnel now that we are working 4 days instead of 5.

Trustee Bray asked where we were at in regards to following up on ordinance complaints. He is also working on updating our Web Site to make it more friendly and needs to talk with our IT person.

Scott Fleming from the Enterprise Group arrived at this time ( 9:25 a.m.) and talked to us about asset mapping and what options are available for some development in our area.

Assessor DeBoe then discussed the 14 point review and also some concern with some of the personal property statements that she has received. These particular statements have not been previously filed and yet have been in business for prior years. It was the consensus of the board members present to go forward and not to go back for the previous years that they had not filed.

Work Session adjourned at 11:15 a.m.

James Stormont, Supervisor  
Marjorie A. Clark, Clerk
